

# Marriott - Starwood - Hilton Reward Point Value Comparison

updated 10/1/2010

## # of Points Earned per Dollar Spent

	Regular	Gold	Platinum/ Diamond
Marriott	10	12.5	15
Hilton	10	12.5	15
Starwood	2	3	3

- Dollar values represent how much needs to be spent in order to get a free night(s) award. For instance, someone with Gold status at Marriott would need to spend \$4,800 at Marriott properties to earn enough points for a free, two-night award at a category 6 hotel. A similar status Hilton two-night award for the same category would require \$6,400.
- The analysis is based on standard stays with minimum requirements, and does not include check-in or other bonuses
